

Cirencester Cohousing Project

Have you ever wanted to design your own home?
Would you like to design your new home and community?
Are you interested in being part of a sustainable community,
and living in well built homes with low energy bills?
Ever wanted to create a place where you can live privately
but share facilities and amenities?

Cirencester Cohousing (CirenCoho)

CirenCoho is a new small group of people who are coming together to design and commission the building of Cirencester's first Cohousing project.

Cohousing schemes are those where people come together to make decisions on their future community. Cohousing schemes are fine places to live as you share many resources as well as being part of the design process from the start. CirenCoho is likely to consist of around 30 households.

Event If you are interested, please come along to an OPEN event At 7-9pm on 23rd May.
Ingleside House, 5 Beeches Road, Cirencester, GL7 1BN

Contact To register interest in attending the event please go to cirencoho@gmail.com
for more information please call Claire Morris on (01285) 651605
